O beloved Christ,  
You who are present in the ♥ of every being,  
Bring to every one : Peace and Well being,  
Joy, Love, Abundance, Eternity.

O beloved Christ,  
You who are Light of the World,  
The absolute brightness,  
Enlighten, every living being,  
For every one to live, in complete Harmony,  
With the whole Cosmos.

O beloved Christ  
Be who you are, present in every being,  
Now and for all eternity.  
You alone, can open up the ♥ of all beings,  
For the complete and total harmony  
To be present on this Earth,  
And in the annals  
Of all the Universes

O grand beloved Christ,  
May your Joy fill with Wonder,  
Every moment of our eternal lives,  
For It to sing in the ♥ of all Humanity.

Long-time disciples of Christ  
Bring this torch to all beings, and enlighten  
In each and every one, Christ's Flame,  
In every ♥ you pass by.

Let yourself be loved by Christ,  
So that this flame, springs forth,  
In all the open ♥,  
In all the Universes.

It is with this infinite Love,  
That Christ propagates Life.  
This absolute Love : Source of any Life,  
In this infinite Universe.

Nothing exists, most assuredly, than Love.  
Let us all unite in Love,  
So that in each and every one, the Magnificence of Christ  
Manifests in all ♥, delighted,  
By his Essence  
And his Presence.

Let us create around us,  
A Universe of Peace, of Joy, of Love,  
By opening ours ♥ to Christ's Love,  
For the World to return to Christic Love.  
And to avoid to have lived in vain,  
Let us open our ♥ to this Immense Heavenly Love

O beloved Christ,  
In our ravaged hearts :

Remove sorrow, lay Joy,  
Remove impatience, lay the infinite patience of your Love  
Remove resentment, lay forgiveness  
Remove anger, lay the Strength of Life full of Compassion,  
Remove abandonment, reparation, lay Unity,  
Remove humiliation, lay Respect,  
Remove fear, lay Peace.+  
Everywhere the ill-being reigns,  
Lay the infinite presence of your Love

Lord, lay in my heart and all my being, all your Love.

**The Cosmic Christ with all his Love**
